

Ring Size Guide

Before measuring your ring size, make sure this guide is printed in A4 size and scaled to 100%. You can check the accuracy of your print by positioning a credit card in this space. If the card lines up, you're all set.

OPTION 1: MATCH YOUR RING

To find your 7879 ring size, use a ring that fits you well and match the inside circle with one of the circles below. When your ring has been placed on the right size, you should see the inner grey and outer black circle inside of your ring. If your ideal fit falls between two sizes, we recommend choosing the larger size. If your ring has lots of raised edges or angular edges, go to step 2.
